

## GRACE Plan Meeting Schedule

Please come out to the GRACE Plan Community Meetings, this is your chance to make sure your voice is heard. The Greater Rosemont and Coppin Heights (GRACE) Plan is a community planning effort with the mission of creating a long term vision for the revitalization of the Greater Rosemont, Coppin Heights and Greater Mondawmin areas.

### ***GRACE Master Plan Update, 2011-2012***

With the continued expansion of Coppin State University and BCCC, and planning activities taking place around the Redline it has been recognized that there is a need to have a comprehensive vision for the area adopted and backed by the City of Baltimore. This recognition spurred the proposal to revisit the GRACE Draft Plan and update it for city adoption. The updated GRACE plan will incorporate the new developments in the area and make connections between the separate efforts taking place to present a cohesive vision.
